

Marking

Every time your work is marked you can expect the following:

Support that helps you make progress in your work.

Spelling, punctuation and grammatical errors will be identified for your correction.

You are expected to correct your work as per your teacher's verbal/written feedback. All corrections should be completed in **GREEN PEN** to help identify where you have reflected on your work.

Assessment

At least once per term your teacher will set a piece of work that will be formally assessed. You will be given...

...an indication as to whether you are on target or require more support to be on track in KS3.

...a grade if you are KS4.

...AS/2/BTEC grade if you are in the sixth form.

PLEASE REMEMBER:

Marking is undertaken to help you make progress – you are expected to engage in the process and learn from your teachers' efforts.

For further details, please refer to departmental handbook.
