General overview

A whole school approach to PSHE ensures it is central to every student's education. Assemblies cover PSHE themes each week and introduce concepts for reflection. Daily tutor time covers areas of PSHE and external visits fill specific gaps, often provide specialise teaching to sensitive issues. Across the curriculum, staff are aware of PSHE and its value and make links in the classroom. A programme of enrichment embeds our culture of PSHE, looking at PSHE beyond the academy.
