

Performance Data

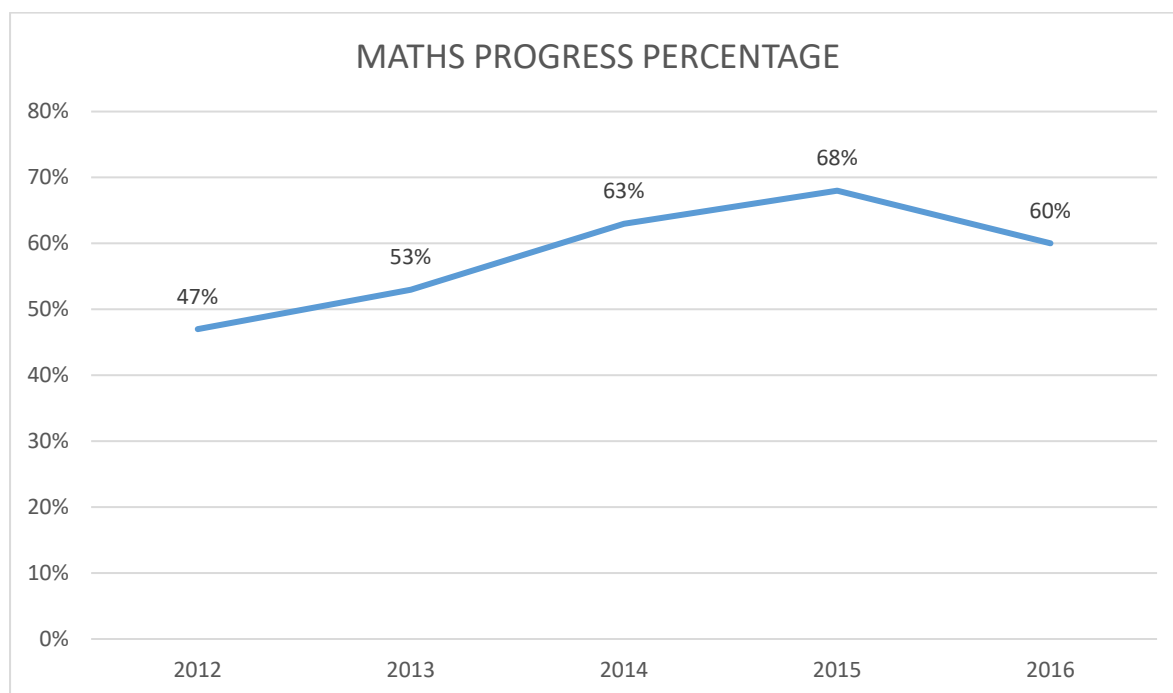

Percentage of candidates achieving 5 or more A*-C (incl. English and Maths) at GCSE and Equivalent:

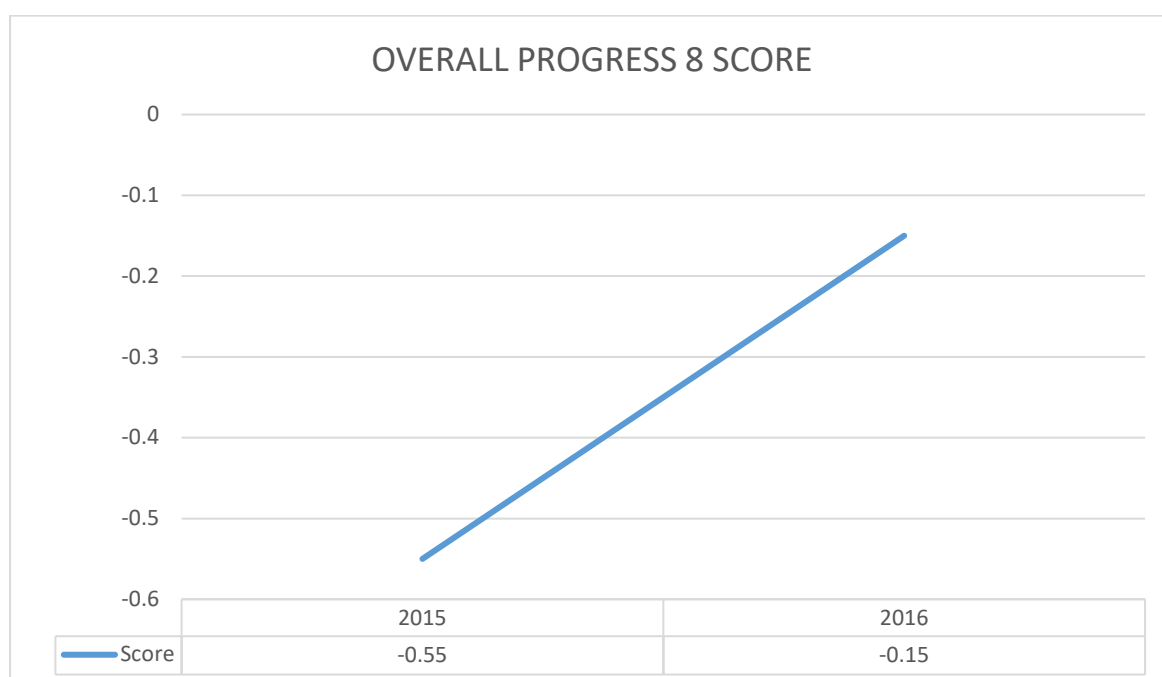

Percentage of candidates achieving Expected Levels of Progress in English:

Percentage of candidates achieving Expected Levels of Progress in Maths:

Overall Progress 8 Achievement*

* **Progress 8** and **Attainment 8** are two measures that schools will be judged against from 2016. They are designed to encourage schools to offer a broad and balanced curriculum at KS4. **Progress 8** is the difference between a student's estimated Attainment 8 and their actual Attainment 8. The National Average Progress 8 Score for Schools in 2016 is between +0.19 and -0.17.

Average Progress 8 by Subject Areas

	2016
English	-0.18
Maths	+0.08
EBACC	-0.44
Other Subjects	+0.36
