

A Level Results Success 2016

This morning the Academy has seen a great set of Post 16 results. We are delighted to share in the joy of so many of our students who have worked so hard to achieve their goals.

The Academy has sustained its strong performance from 2015 with more academic A-level subjects showing even greater progress, in particular, A-Level Leisure Studies, English Literature and Health and Social Care recording 100 per cent pass rates. Our vocational specialism in Sport has gone from strength to strength with all but one students scoring Distinction and in fact three students scoring a Triple Distinction Star. We are particularly pleased with a 45 point rise in the academic qualification point score this year and in the rise from 31 per cent A and B grades or equivalents to 46 per cent.

The following students' performance is of particular note:-

Dana Pointer 945 points. 4 A-Level and equivalent A grades in Health and Social Care A-Level, Distinction Star in Science, D grades in A level Maths and Distinction in Business Studies. Dana has now accepted an offer of place at University of Kent to study a degree in Accountancy and Finance.

Melodie Letchford 885 points. A- Level and equivalent, A grade Health and Social Care A level, B grade Maths A-Level, Merit in BTec Music and D grade in A-Level Art. Melodie has now accepted an offer at Canterbury Christ Church University to study a degree in education specialising in Mathematics. Melody plans to eventually become a teacher of Mathematics at the Academy.

Lauren Powell 735 points. 3 A- Level and equivalent, B grade A-level Health and Social Care, Distinction Star in Science, Distinction in Business Studies A-Level. Lauren has accepted an offer on a degree course at Canterbury Christ Church University

Fabianne Lowe 720 points. 3 A-Level equivalent Triple Distinction Star Sport. Fabianne has accepted an offer from Canterbury Christ Church University on a degree course in Sports Science.

Hannah Matthews 720 points. 3 A-Level equivalent, Triple Distinction Star Sport. Hannah has accepted an offer from Canterbury Christ Church University on a degree course in Sports Science.

Saffron Walmsley-Preece 720 points. 3 A-Level equivalent, Triple Distinction Star Sport. Saffron has made an application for a level 3 Apprenticeship with Dover Harbour Board and is awaiting news.

Sailendra Galami. 3 A-Level and equivalent Double Distinction Science and B grade Health and Social Care A-Level. Sailendra has accepted an offer from Portsmouth University on a degree course in Computer Studies.

Abbey Roberts D in English A level and Health and Social Care A Level and Merit in Science.
