16 March 2018

Dear Parent

### Student Uniform

We are concerned that the uniform has slipped from the outstanding standard that our students had at the beginning of the school year.

It is expected, and is policy, that students are in correct uniform at all times during the school day and while representing the Academy on visits (due consideration is given to those who have a medical note from a Paediatrician, Physiotherapist or Doctor).

Should your child not be in correct uniform by Monday, 19 March they will be spoken to by the Senior Leadership Team and will have a detention with the Senior Leadership Team on that day (please see the home/school agreement signed by all students and their parents prior to starting at the Academy).

We expect all students in Years 7 to 11 to be in blazer, house coloured tie and white shirt; males to be in charcoal grey trousers and females to be in loose fitting trousers or a knee length skirt.

Students should wear black leather school shoes which can be polished, as pictured on the website, unless a medical reason is given by the above professionals.

I would be grateful if you would contact me, their Tutor, or their Head of Year, on **01304 820126** or alternatively by email on **info@dccacademy.org.uk** to discuss how we can support you in rectifying this situation.

Yours faithfully

**Natalie Christie**
