

## DCCA Uniform

A school uniform teaches students to dress smartly and take pride in their appearance. It will help a student to prepare for when they leave school and may have to dress smartly or wear a uniform.

Students are expected to wear the uniform as specified in our policies.

The Academy uniform is part of our identity. We also believe the design is smart and comfortable, as well as being durable and practical, and represents that you are a member of our learning community. Achievement points will be awarded for students who consistently wear the correct uniform. The majority of our uniform is available to purchase online from Price and Buckland, [www.pbuniform-online.co.uk](http://www.pbuniform-online.co.uk)
