

## OCR Level 3 Cambridge Technical Diploma in Health and Social Care

*Level 3 = This is a 2 A level course*

Health and social care is offered as a two-year course, 12 units of which 5 are exams and 7 are coursework based units.

### Course Details

This course is designed to give a broad overview of the Health and Social Care sector, forming part of a programme of study including other courses e.g. BTEC Nationals or A levels.

This qualification has been designed to account for two-thirds of a two-year, full-time study programme for learners who are intending to go onto further study in a related sector. It supports access to a range of higher education courses if taken as part of a programme of study that includes BTEC's, or A Levels alongside it.

#### Examinations:

The styles of external assessment used for this qualification are:

- examinations – all learners take the same assessment at the same time, normally with a written outcome.
- set tasks – learners take the assessment during a defined window and demonstrate understanding through completion of a vocational task.

### Course Units

#### Units studied will include:

Building positive relationships,  
Health, safety and security in health and social care,  
Personalisation and a person centred approach to care,  
Creativity and activity for children and young people,
