Dear Parent

Improving Outcomes for Teaching and Learning

Whilst Dover Christ Church Academy continues to make significant progress in all areas, we would like to turn our focus on improving outcomes in the classroom for your son or daughter.

We have been offered the opportunity to invite an extremely talented trainer into the Academy before the next academic year, however his availability is limited. Governors and Senior Leaders have all agreed that we should take this opportunity to help improve outcomes in teaching and learning for our students. Therefore, we would like to book a session on the afternoon of Monday, 13 May 2019. However, to enable this teacher training event to take place we anticipate that we will need to close the Academy at 12.40 pm on that day.

May I take this opportunity to thank you in advance for your support. Should you have any problems with childcare, please make us aware of this situation and we will endeavour to arrange some work for your son or daughter to complete in school for the afternoon.

As bus companies will not collect students earlier than the usual time, details of alternative public services that students may wish to catch will be published on our website as soon as Stagecoach have issued their new timetables.

Yours faithfully

Mr Jamie MacLean
Principal
